Please support our school when you shop at Warehouse Stationery (online or in store). Present this voucher to the checkout operator when purchasing items in stores or enter this unique code in the box beside Support School when purchasing online. With every \$1 spent the school earns rewards points

Donations

\$65.00 per year for 1 child, \$130.00 for 2 children, \$165.00 for 3 or more children. Statements are sent throughout the year.

School donations are a small but vital component of our school's budget. They are set each year by the Board of Trustees to supplement funding received from the Government. Without your donation we would be unable to fund many of the programmes that we currently do, e.g. dance, music, ICT and sports.

All school donations are now incorporated in our computer records and computer generated invoices and receipts are issued.

On behalf of the Board of Trustees and staff very many thanks to all parents for your continued support.

Ultraset

This is a website based system and there is a per pupil charge of \$5.

Ultraset is a Learning Management System that has 3 areas:

- ◆ webspace this is the main site area that hosts the web pages and has some modules available for public access.
- ◆ ClassSpace – these are virtual classrooms, which are the main hub from which teachers can share digital resources, host collaborative talks and publish learning content.
- ◆ uSpace – this is a unique area that houses our social learning network, where Ultraset users can access individual profile pages to publish and share their own content.

Ultraset is the first in a series of steps that we will take to build a community wide elearning environment. This is the way of the future and we look forward to jumping on board the ultraset journey!

Hoon Hay Sports Initiative 2012

Hoon Hay School has joined with a number of other local schools to apply for funding to promote sport, sports skills and a strong sense of community.

Our application asks for partial funding to assist us with 3 main areas:

1. Sports skills and techniques Year 1 and 2
2. Local interschool competition Year 3 and 4
3. Competitive sport Year 5 and 6

We see this joint venture as a way to add value and options to our sporting programmes and to promote the strong sense of community and also to utilise skills and talents in our local schools.

There is a \$5 per pupil charge.
