

**Hoon Hay School**  
**Level 1 Swim Week - Term 4**  
**Rooms 1, 2, 3, 4, 5, 6, 7 & Octopuses Garden**

As part of our Health and Physical Wellbeing programme we will be participating in "Swim Week" at Wharenui Pool.

When organising our swim weeks we are very aware of the costs. However, after checking out other venues, we feel that Wharenui Pool is better suited for our level of children. Wharenui can accommodate 2 classes together and has a good teaching space. It also has plenty of seating for people watching and also for children waiting.
